BIO

Established in 2019, Derby DJ duo **DELTECH** have created a unique underground sound that has landed them multiple **#1 releases on Beatport** along with huge support from recognised artists and producers, as well as label signings from the likes of: Hot Creations, Sola, Moxy Musik, Nervous Records, South Of Saturn, CUFF, Vassonova Music, 7PotPrimo, Whoyostro, Under No Illusions, Freak, Stashed, Material, Happy Techno.

Events & Music

Deltech's ongoing support has driven them to push the boundaries of their house and techno tracks with powerful, distinct sounds in order to further cement their position in the scene. This has allowed their productions to be played world-wide at famous venues, events, and festivals such as DC10, Ushuaia, Amnesia, Printworks, Fabric, Creamfields, Warehouse Project, Elrow & Trick, and in turn be internationally recognised by well-established DJs such as Jamie Jones, Solardo, John Summit, Richie Hawtin, Ruben Mandolini, Shadow Child, Hannah Wants, Riva Starr, Joseph Capriati, Steve Lawler, Will Taylor, Marco Carola, and many more.
